Keeping Pet Therapy Volunteers Konnected!

Kanine Karnival ReKwest for Help!

It's coming up quickly. We need lots of our friends to help out this year with the KPETS Kanine Karnival on Sept 10 (raindate Sept 23). Time to really get our ducks in a row. So recruit your family, coworkers and neighbors without dogs to help staff the event. And then invite family, coworkers and neighbors with dogs to come participate in the activities and the Midway Mutt March!

Some of the positions we need to fill are: Kissing Booth staffing; photographer(s) for the kissing booth and photos with Kip; dog washers for dog wash; help with CGC testing; help with microchip area; ticket sales for games and raffles (mobile and stationary); staffing for donations and membership renewal station; staff for merchandise area; parking attendants; judges for contests, staffing for various doggie games.

As you can see it will take a lot of manpower to pull this off. We're going bigger than any of the previous years' Bow Wow Luau's, so please round up as many folks as you can, then contact Karen at karen@kpets.org or by phone at (717) 333-5738 to sign up for a specific position for the day. We hope to be getting some great PR for this event in hopes of raising funds and generate interest in our mission and vision!

KPETS Dog Becomes a STAR!

Kris Frey and Triton, her golden, recently became a registered KPETS team.

Triton, KPETS Therapy dog with Annie

But "Who knows what tomorrow will bring"! Sound familiar? For Triton, "tomorrow" turned out to be an opportunity to play the role of Sandy, the lovable mutt in the musical "Annie" now playing at the Dutch Apple Dinner Theatre in Lancaster.

Triton's "big scene" is sharing the stage with Annie while she sings the signature song, "Tomorrow." He also appears several other times throughout the play. After the show, the audience is invited to meet the cast including "Sandy." During this time, there is some opportunity to meet people who are using walkers or wheelchairs. Learning to remain calm in this situation with loud music, bright lights, flashing bulbs and lots of people crowding close to touch him has been good training for his therapy work.

We are so proud of Triton and Kris! Try to catch the show if you get a chance – it's playing at Dutch Apple through August 5, 2006!

THIS JUST IN

The cast from Annie is going to do a cabaret show at Molly's Pub on Friday, July 21 at 11:30 p.m. to benefit KPETS! Come See!

Keystone Pet Enhanced Therapy Services

July - 2006

Our Mission:

KPETS is a non-profit organization established to promote Animal Assisted Therapy/Animal Assisted Activities (AAT/AAA) by recruiting, educating, uniting and coordinating volunteers with the facilities, social agencies and special-needs programs whose clients may benefit from the healing and rehabilitating effects of the animal/human bond. The unconditional love of our pets is shared with those of all ages and from all walks of life.

Procedure Change for New Teams

After much discussion with the board, KPETS is changing the procedure for the registration process to become a registered team. Starting in August KPETS will collect a \$25 application fee up-front at orientation to help cover some of our costs. After all steps are completed successfully, this fee will be applied to their registration.

Here is a brief summary about the process to become a registered KPETS team!

- **Application Fee** - An up-front application fee of \$25 is charged to cover costs for the process, materials and other expenses.
- **Attend Orientation class** – This session is two to three hours long. It is to inform the volunteer about what KPETS is, what we do, what the expectations are for the pet and handlers, and what to expect when visiting. We explain the many opportunities available and how to get involved.
- **Pre-Assessment of Pet** - After completion of our orientation, we require that each pet go through a pre-assessment. This step is to see if the team is ready for an actual visit or if more socialization may be needed. During the pre-assessment, we do some obedience: sit, stay, down and walking on a loose lead. We also observe how the pet reacts to crowds, other dogs, rough petting, loud noises, wheel chairs or walker, etc. This is best done at one of our practice training sessions held every two weeks.
- **Two Evaluation Visits** - After completion of a successful pre-assessment, the team will join us on two actual visits with one of our evaluators for on-the-job training and evaluation. We prefer teams go with different evaluators for each visit. The reason is confirm the teams' readiness to become registered.

After the above requirements are met successfully, all required paperwork needs to be completed and submitted for processing. You will then receive a certificate of completion and nametag. The team will also receive a letter instating the liability insurance for coverage through September 15.

If you have any questions or would like to start the process of becoming a registered KPETS Therapy Team, please contact us at:

KPETS – Keystone Pet Enhanced Therapy Services
P.O. Box 8752 **info@kpets.org**
Lancaster, PA 17604-8752 **717-333-5738**

Just A Reminder: *Therapy teams from other organizations whose registration is expiring are welcome to join KPETS. Read & sign the KPETS manual packet and one supervised visit are all that are necessary. For the \$25 registration fee you will have insurance and receive the KPETS manual and monthly newsletter. Your registration also helps cover ongoing expenses for KPETS communications.*

A Day in the Park

After getting rained out in May, Brethren Village held a picnic in the Manheim Township Community Park, near Neffsville for some of their healthcare residents on Friday, June 16. KPETS teams met about ten residents who came by wheel chair-accessible bus to play with the dogs at the park.

They enjoyed some light refreshments and watched the pups chase bacon and peanut butter doggie bubbles. Some of the dogs caught on more quickly

than others and then some never quite got the concept.

Lots of petting took place, and of course and we all got a chance to show off our favorite tricks! Giggs, Karen and Jason Keiffer's border collie, was quite the entertainer with his soccer routine—he's right up there with Air Bud! He made me tired just watching him! Magic, their Newfoundland, stayed cool and hung out with the residents in the shade. Anita Wolfe w/Gracie, and Mimi Sigworth w/Harmon were their usual sweet, calm, endearing selves; while Sam and Pod kept Karen Gerth and Joni Soost on their

toes. Dolly, handled by Darlene Creighton, snuggled her way on the several laps and made a lot of smiles appear. The biggest surprise of the day was that Jet, Marilyn and Alyssa Edris' precious cat, came to join us too. What a saint! That cat is sooo good. The dogs were very well behaved and there was no chasing small prey. (Except the squirrels were testing Pod's small-prey aggression!)

All teams stayed and made sure the residents got back on the bus before heading home. What a fun day for all!

Note: Due to insurance purposes, events designated ® are only open to REGISTERED therapy teams (KPETS, Delta, TD Inc. etc.) OR teams who have taken KPETS Orientation and are working on evaluations.

Important Information

Change In Evaluator Availability

Leanne Spurlin, the evaluator who evaluates teams for KPETS at Brethren Village, is going to be out of commission for July, August and possibly September due to surgery. Please do not contact her for any evaluations until further notice. The other evaluators will try to fill in but please be patient.

Brethren Village visits will continue as usual on the first and third Tuesdays with Darlene Creighton at team leader. Let's be sure to keep Leanne in our prayers during this trying time.

Important Reminder

KPETS registration renewal is coming up! September 15! Watch for additional information coming soon!

Practice Obedience Session Changes

Please note that the Practice Obedience Workshops have been moved to the Mennonite Home Meadow View Activity Center. The sessions will be at 6:30 p.m. For the summer we will hold them the fourth Tuesdays of the month only. Starting in September, we will be going back to the second and fourth Tuesday nights.

If you would like to have a pre-assessment done, please contact Bev at info@kpets.org. She will post on the KPETS Kalender so we know how many to expect. Thanks!

Shining Stars

On June 22, KPETS teams Gini Swartzell w/Trey, Cindy Wilson w/Casey, Laura Whitman w/Reni and TDI team Cindy Fure w/Buddy performed for Camp Star, a rehabilitation camp for kids ages 7-17 years old. Over half of the campers were in wheel chairs and the remaining kids had other challenges.

We did our usual "Guess the Breed," "Peanut Butter Schleck," "Popcorn Catch" and agility race. Even the kids in wheelchairs participated. One little girl took off her leg braces, got out of her

wheelchair and scooted across the floor. It was truly inspiring.

The finale was Reni dancing. After some technical glitches, the music started. But Reni was so pooped from the other activities, they barely got through the music. At least it was good for a laugh! Hopefully we'll be invited back next year and more teams will get to know these inspiring kids.

Website KPETS Karing Prayers Launched

With all the surgery's and aging pets, KPETS has gone back to it's roots and realizes we were formed about caring (3CPO - Caring Christians and Canines Pet Organization).

We have implemented the KPETS Karing Prayer webpage. This is a place where we can all check out the needs of those in our organization who may be in need of prayer. Whether it be for themselves, their family or their pets.

Please send any requests you would like listed to prayers@kpets.org. We will get it posted as soon as possible. Please, when submitting for someone else, be sure to get their approval. Privacy is the law - HIPAA regulations! You may be as vague or specific as you like. Feel free to submit requests for your pets too. God loves them too and He knows how much we love them and want to do all we can for them. To view our prayer page, go to www.kpets.org and click on the KPETS Karing Prayers link.

Volunteer Round Table

Our next Volunteer Round Table will be Thursday, August 3 at 6:30 at Park Place, Centerville Road, Lancaster (by Dutch Apple).

Our guest speaker will be Nan Roberts, with the topic of "How Vaccines Work and What Vaccines are Right for My Dog."

Come join us for dinner and chat with other therapy teams with the same love of sharing their pets as you.

Please RSVP to Carl Speros at misskatieisdad@webtv.net or (717) 397-7882

KPETS Goes to the Dog...Park

KPETS teams participated in the Paws Across PA Walkathon and Pet Fair, Saturday, June 10 in Lisburn. The event was to benefit Brookline Labrador Retriever Rescue. KPETS teams were there to staff our info booth to introduce dog lovers to KPETS. Roslyn w/Moses and Gini and w/Tessa staffed the KPETS booth, and Jake and Chale with Robin and Carta came to provide moral support!

The day was very windy and blowing things everywhere. But the people we talked to were pleased that KPETS is expanding to the Carlisle, Mechanicsburg and Camp Hill areas. Approximately 15 people signed up for the August orientation for Carlisle. I'd call that a successful afternoon!

Presentation for Acadia

Head Trauma Clients

KPETS did their first fun presentation at Acadia on Friday, June 23. Maggie, the golden, along with Carol Hopwood visit Acadia every Tuesday to help the head trauma patients with social and physical skills. This team has been such a perfect match. They have made KPETS proud.

Maggie Hackman, the cognitive therapist at Acadia, invited KPETS to come out and play some doggie games with the clients that afternoon.

The clients really enjoyed all the dogs and the games. It was a special treat for them. Carol Hopwood and Maggie started off the event by having Maggie's special friends show how well she obeys them. You can tell they truly adore her and she, them!

Nancy Houston and Cashel have recently been connected with one special patient there and you could tell Cashel was "his" dog that afternoon. Mimi, Harmon's mom led us in song for "Ring around the Rosie". That was a blast! Sammy and Karen got to dance because they really wanted to see a 'dancing' dog. Anita Wolfe's beloved Gracie smoozed the clients with her sweet disposition. We played Snoopy Says among some other games. I know my dog was pooped out after the event.

We hope to do this again sometime for a special occasion for these very appreciative folks.

Mennonite Home BBQ Day

Saturday, June 17 was the day for Mennonite Home's BBQ day this year. KPETS teams were invited back for the third time to supply some extra petting and to mingle with the crowd from 2 – 3 p.m. Then we put on a small presentation at 3 p.m. for the family members, staff and residents.

Kip, the KPETS dog (Bev Smith's son, Tim Longenecker) was quite the hit with everyone! (and quite hot, to say the least).

Laura Whitman/Reni, Deb Bender/Toshia, Mary Merrell/Pippa, Bev Smith/Rosie, Gini Swartzell/Trey, Carl Speros/Katie, Joe and Crystal Hess/Hailey, Lori Covey/Milo and Karen Gerth/Sammy all mingled with the folks in the heat and humidity. Thank goodness for coolers with ice cubes! Carl's dear little Katie went nose to nose with the crocodile nearly giving poor Carl a heart attack, but all was fine. The croc must not have been too hungry.

The alpaca's had their eye on our furry friends so we stayed clear as to not get spat upon. We met Baxter the bunny and lots of other friends during our adventure.

But all were glad to get home and back into the AC with a nice cool glass and/or bowl of ice water!

Autographs Please!

Kip, the KPETS dog has been making his rounds here lately! He's been in high demand. Kids are even asking for his autograph now!

Kip was invited back this year to Cylo's birthday party with the Lancaster Barnstormers on Wednesday, June 28.

Tim Longenecker, Bev's son and Rosie's human brother has been getting lots of practice starring as KIP! Bev and Rosie can be so proud. From signing autographs to dancing on the dugouts, our boy KIP the KPETS dog is charming one and all!
